Steven,

In response to your letter on October 1, we would like to meet with you to discuss your concerns and determine our path forward. In addition, the Region 6 Regional Response Team (RRT) will be considering the potential of developing a Bioremediation Emergency Response Plan, as other regions have developed. If this is successful, we would like to have you assist in the development of such a document, working with the RRT Industry Workgroup.

Please contact me to see when you would be available to meet with Ragan Broyles, Jim Staves, and myself after December 1, at 214-665-2276, or email me with potential dates you are available to meet. We can either meet at our offices, or other location around Dallas.

Faithfully yours  
Steve
